

## Wanted

This is the same list as last month as I am still hoping to get these items into our room. Thanks!

- Scrap Wood pieces - we will use these at our building center
- Old Electronics - we will disassemble these at our 'take apart' center later in the year

## Full Day Field Trip

**January 21:** Morning Class attends for the entire day

Afternoon Class does not have school

### Morning: Ice on Whyte

We will be attending the Ice on Whyte festival to learn about the art of ice sculpturing. At the L'il Chipper ice carving lessons for schools, students get a hands-on ice carving lesson. Their artwork is put on display in the festival's kids zone. After the lesson, students are encouraged to enjoy the interactive outdoor play area.

Please dress your child to be outside for 2 hours. We will be eating our lunch outside as well. We require parent volunteers for this field trip, please let me know as soon as possible if you can attend (if you have not already done so).

### Afternoon: Art Gallery of Alberta

Search, move, play and discover in this interactive Gallery visit. Tiny Art Adventures introduces young students to art and the museum through a variety of interactive, multi-sensory exercises.
